New Chair, District One Hospital Board of Directors

Brenda Peterson

Brenda has served as a member of the board of directors since 2006 and most recently played an integral part in the development of the District One Hospital Cancer Center. She is a Regional Vice President of Supply Chain Operations for VHA and holds a Master's in Business Administration with a Health Care Management Focus from the University of St. Thomas, and a Bachelors of Arts in Nursing from the College of St. Catherine's. "I spend every day working to improve the clinical and economic performance of community based hospitals across the Upper Midwest and enjoy knowing that I can make difference in my own community" said Brenda.

###

District One Hospital is a public, community 48-bed acute healthcare facility.
The hospital is located on the Healthcare Campus in Faribault.
