

Jan Wegner Scholarship Winners Announced

The Jan Wegner Scholarship was established by the nursing staff of DOH in 2002 to honor colleague Jan Wegner and to promote and encourage others to enter the nursing field or advance their current nursing degree. This year marks the 10th anniversary of the scholarship and with the help of the Auxilian Advocates for Health, 48 scholarships have been provided in the total amount of \$19,040.

The scholarships were awarded at the auxiliary's mid-year dinner meeting on July 12 which also featured a viewing tour of Auxiliary funded projects in the Surgery Center and Cancer Center. Members also previewed plans for the Emergency Department lobby remodeling project set to be complete in August.

Congratulations to the 2011 recipients and special thanks to Joan Boysen and Cindy Boelter for their instrumental role in administering the fund.
